CONFIDENTIAL

Dear Chairperson,

NEOTEL's SUBMISSION ON THE V BAND AND E BAND USE AND LICENSING DISCUSSION DOCUMENT

Please find attached Neotel's submission on the discussion document on the use and licensing of the V band (57-66 GHz) and E Band (71-76GHz//81-86 GHz) for your consideration. This discussion document was published in Government Gazette No 39180 on 8 September 2015.

Neotel would like to participate in any hearings or further consultation that the Authority holds in respect of this discussion document.

Neotel is at the Authority's disposal should you require any clarification in respect of this submission.

Kindly acknowledge receipt of this correspondence.

Yours Faithfully
